The Book Industry Study Group (BISG) has developed a list of **2800** subjects and subject codes. Known as the BISAC Subject Heading List, they are used to describe the subject contents of a book. Below you will find a list of **48 major BISAC categories**. If you are interested in using the full BISAC Subject Headings List, you may write to BISG at 160 Fifth Ave., New York, NY 10010, or call 212 929-1393, or email bill@bookinfo.org.

**Please be advised that even if you use these headings, you should still complete the section above entitled “Description of Content“ so that your book can be properly classified.**
